About

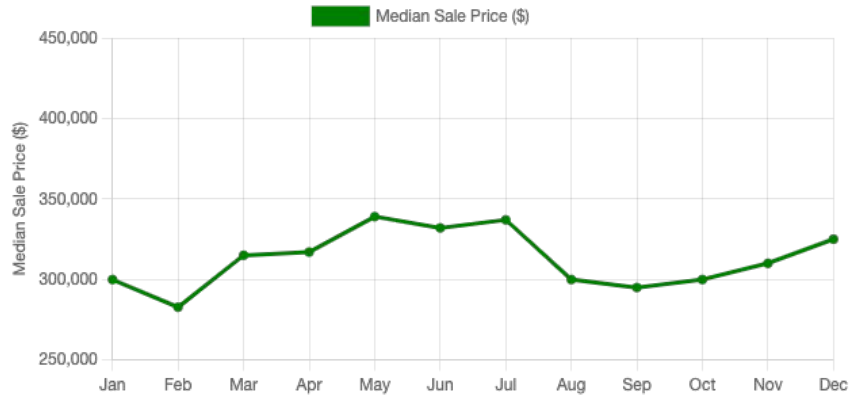

Our project seeks to visualize data regarding:

- How total home sales and median home prices in Fulton County have changed over time
- If there is a relationship between the two
- Tie trends to specific events throughout 2017-2021
- Where high- and low-priced homes are concentrated

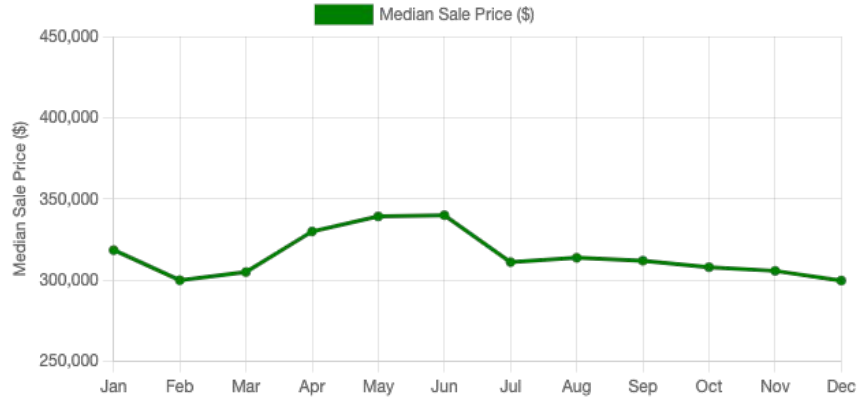

Process

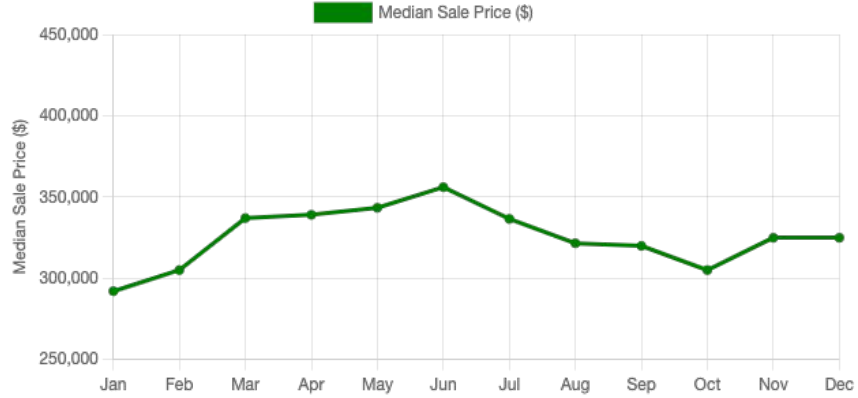

2017 Visualizations

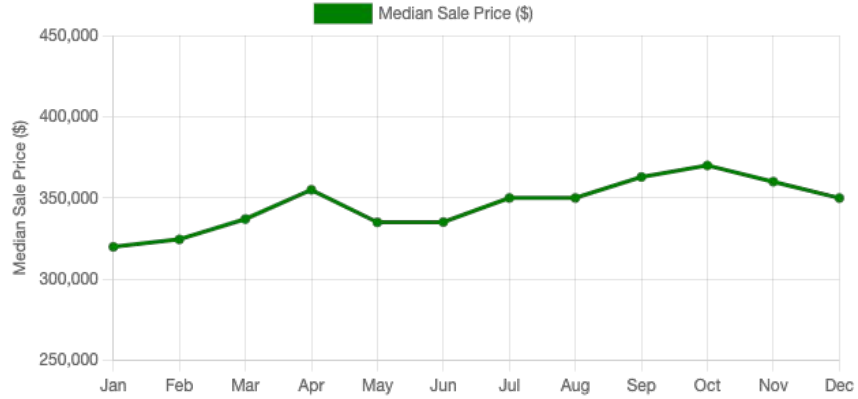

2018 Visualizations

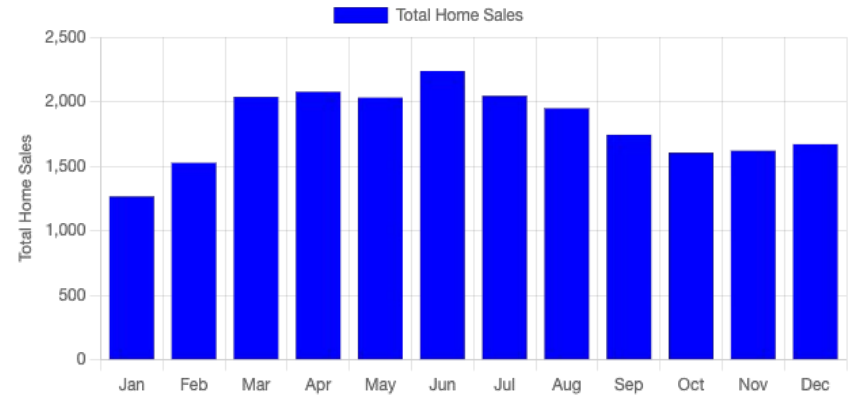

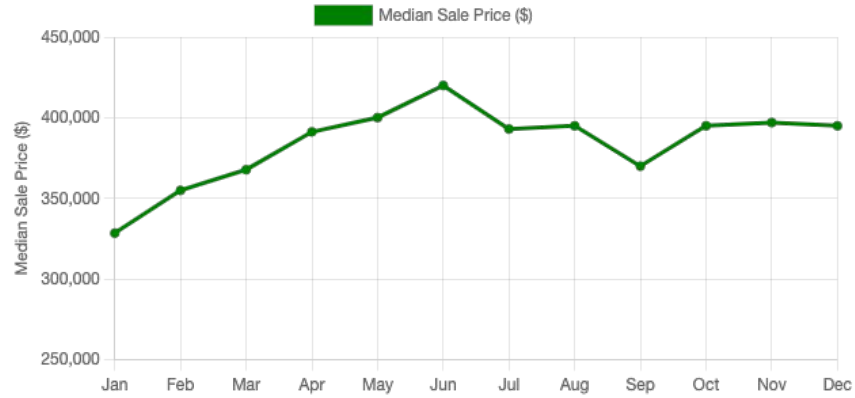

2019 Visualizations

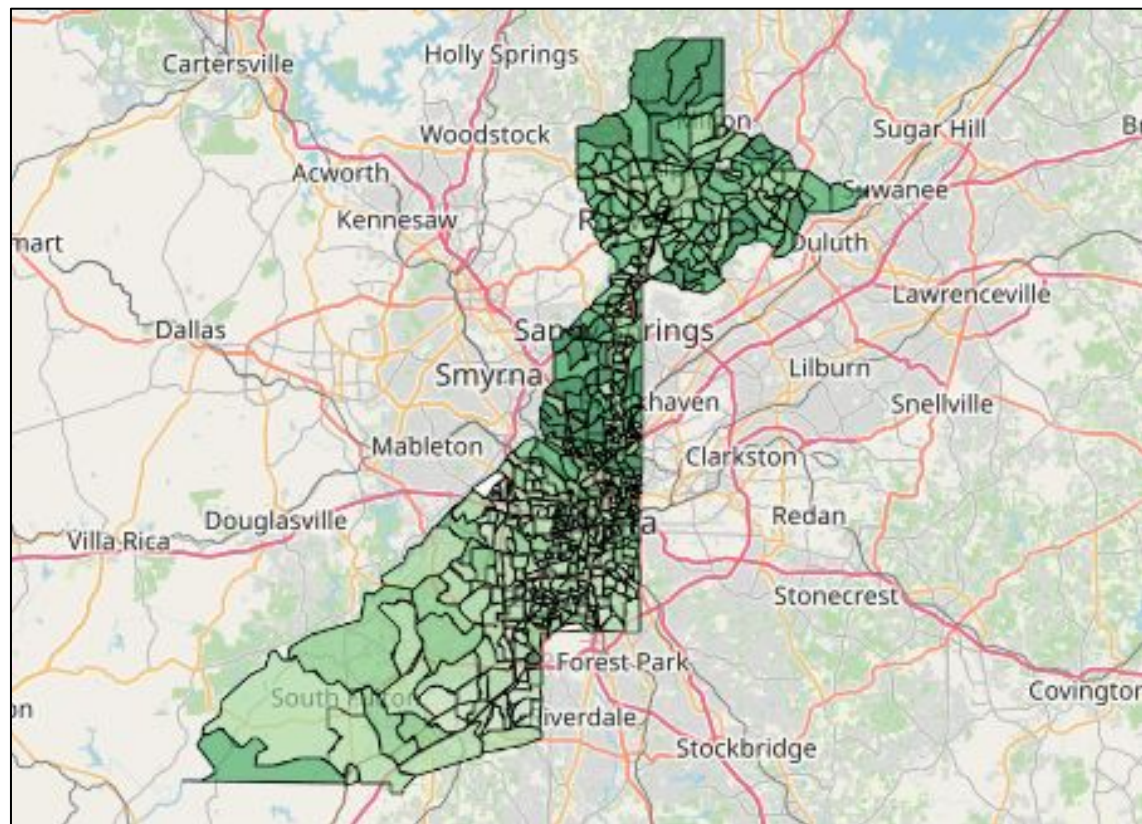

2020 Visualizations

2021 Visualizations
